WHO WE ARE

ALIAS Translation is **based in Slovakia** specializing in translation and localization services into **Slovak** and **other Central and Eastern European languages** in all fields of expertise in any file format. Being dedicated localizers, our experts will apply their passion for translation to localize any of your material.

Using local language expertise, coupled with an intense depth of knowledge from various fields, we can help you with the complete spectrum of localization services, including document **translation, localization, testing, multimedia and game localization, MT post-editing, copywriting, SEO** and **DTP** and other language-related services.
